

SONGS FOR SHANGHAI

Christian Renz

Rise Up

Rise up, o people of God
Take hold of the calling given to you
Rise up, o people of God
Walk in his authority
Rise up, o people of God
Cling to your King with all of your love
Rise up, o people of God
Giving him your everything

Letting go of all the things that hold you back
Fix your eyes on Jesus, your King

We walk in your blessing
We walk in your power
We walk in the promises of God
Proclaiming your kingdom
Proclaiming your favour
Proclaiming the glory of our God

There Will Come A Day

There will come a day
Every tear is wiped away
There will come a day
Where depression turns into joy
Every sickness will find healing
And fear will give way to hope
There will come a day
There will come a day

There will come a day
Every slave will be set free
There will come a day
Where there's no more poverty
Where victims will be kings and rulers
And debt will be dethroned
There will come a day
There will come a day

This is our hope, this is our faith
That Christ will make all things new
And after death comes life
This is our hope, this is our faith
The whole creation will be put to rights
He will make that day

And on that very day
When we finish our race
On that very day
We will see him face to face
God will make his home amongst us
And his children will be revealed
We will see that day
We will see that day

Every prayer, every word
Every deed and every song we wrote
Will find their place in the kingdom of our God
Our art and our poetry, fellowship and community
Our labour here will not be in vain

We will see that day
